

CORONAVIRUS (COVID-19) MANAGEMENT POLICY

(Effective 14 April 2020)

COVID-19 is a new strain of coronavirus that was originally identified in Wuhan, Hubei Province, China in December 2019. The World Health Organization (WHO), has declared that COVID-19 outbreak as a 'pandemic'- a Public Health Emergency of International Concern (effective 11 March 2020). This is mainly due to the speed and scale of transmission of the virus in countries around the world, including Australia.

COVID-19 is transmitted from someone who is infected with the virus to others in close contact through contaminated droplets spread by coughing or sneezing or by contact with contaminated hands or surfaces. According to Department of Health, the time of exposure to the virus and when symptoms first occur is anywhere from 2-14 days.

Symptoms can range from a mild illness, similar to a cold or flu, to pneumonia. People with COVID-19 may experience:

- fever
- flu-like symptoms such as coughing, sore throat and fatigue
- shortness of breath

The [Australian Government](#) is constantly updating the current status of COVID-19 including health recommendations, travel restrictions, and a vast collection of resources and information to help people make informed decisions.

As this information is changing rapidly, our Service is constantly monitoring health alerts and implementing measures suggested by key health experts to minimise the transmission of COVID-19.

Our Service has a range of comprehensive policies in place to guide best practice in relation to health and safety, dealing with infectious diseases and maintaining a child safe environment. Our duty of care and responsibilities to children, parents, families and all staff to provide a safe environment is of utmost importance.

The evolving nature of COVID-19 and the unprecedented steps required to protect our community as recommended by the Australian Government, has resulted in the development of a specific policy to assist our Service manage this pandemic.

This policy will change as required to ensure the protective measures against COVID-19 as advised by our government are implemented by our Service.

NATIONAL QUALITY STANDARD (NQS)

QUALITY AREA 2: CHILDREN'S HEALTH AND SAFETY		
2.1.1	Wellbeing and comfort	Each child's wellbeing and comfort is provided for, including appropriate opportunities to meet each child's needs for sleep, rest and relaxation.
2.1.2	Health practices and procedures	Effective illness and injury management and hygiene practices are promoted and implemented.
2.2	Safety	Each child is protected.

EDUCATION AND CARE SERVICES NATIONAL REGULATIONS	
77	Health, hygiene and safe food practices
85	Incident, injury, trauma and illness policies and procedures
86	Notification to parents of incident, injury, trauma and illness
87	Incident, injury, trauma and illness record
88	Infectious diseases
90	Medical conditions policy
93	Administration of medication
162	Health information to be kept in enrolment record
168	Education and care service must have policies and procedures

--	--

PURPOSE

Our Service will minimise our staff and children’s exposure to COVID-19 by adhering to all recommended guidelines from the Australian Government- Department of Health and local Public Health Units to slow the spread of the virus. We will implement practices that help to reduce the transmission of the virus including the exclusion of any person (child, educator, staff, parent, visitor or volunteer) that is suspected or has tested positive to having COVID-19. Our Service will implement effective hygiene practices as per our existing policies and procedures.

Our Service will provide up-to-date information and advice to parents, families and educators sourced from the Australian Government, Department of Health and state Ministry of Health about COVID-19 as it becomes available. Recommendations and health measures mandated by the Health Department will be strictly adhered to at all times.

SCOPE

This policy applies to children, families, staff, management, and visitors of the Service.

IMPLEMENTATION

Our Service is committed to minimise the spread of the COVID-19 virus by implementing recommendations provided by the [Australian Government- Department of Health](#).

Our Service implements procedures as stated in the *Staying healthy: Preventing infectious diseases in early childhood education and care services* (Fifth Edition) developed by the Australian Government National Health and Medical Research Council as part of our day-to-day operation of the Service.

We are guided by explicit decisions regarding exclusion periods and notification of any infectious disease by the *Australian Government- Department of Health* and local Public Health Units in our jurisdiction under the **Public Health Act**. COVID-19 is a notifiable condition in all states and territories of Australia.

In the event of any child, educator, staff member or visitor attending our Service who is suspected or confirmed to have the infection, the Approved Provider will contact their Public Health Unit.

1800 020 080 Call 131 450 for translating and interpreting service
Health Direct 1800 022 222

[Public Health Unit- Local state and territory health departments](#)

This policy must be read in conjunction with our other Service policies:

- Sick Children Policy
- Incident, Illness, Accident and Trauma Policy and
- Medical Conditions Policy
- Handwashing Policy
- Health and Safety Policy
- Interactions with Children, Families and staff Policy
- Fees Policy

Minimising the transmission of COVID-19

Our Service has implemented risk management planning to identify any possible risks and hazards to our learning environment and practices.

Effective 15 March 2020, the *Australian Health Protection Principal Committee* has made recommendations to the general public to help manage the spread of COVID-19. These measures include implementing good hygiene, self-isolation and social distancing.

Immunisation

Whilst there is no vaccination for COVID-19, we strongly recommend that all staff, children and families receive the seasonal influenza vaccination.

Hygiene practices

Our Service will ensure hand hygiene posters and procedures (including alcohol-based hand sanitiser) and information about COVID-19 is clearly displayed at the front entry and communicated to families through email, newsletters and social media. Alcohol-based hand sanitiser will be kept out of reach of young children and only available for adults to use. If parents decide to apply this to their child, they must supervise the child to avoid rubbing it into their eyes or a child swallowing the gel/liquid.

Information provided to families may include:

- symptoms of COVID-19
- transmission of the virus
- self-isolation and exclusion

- prevention strategies- including hygiene and self-isolation
- contact details for health assistance
- payment of fees

Our Service will supply disposable tissues and have bins available with plastic liners available in several locations for disposing used items.

The Approved Provider, Nominated Supervisor, educators, staff, families and visitors will comply with the following:

Exclusion/ Self-isolation/ Self-quarantine

- agree to have their child's temperature taken by a staff member upon entry to the Service
- agree to have their child excluded if their child's temperature is above 38°C
- any person who has been in close contact with someone who has a positive diagnosis, or suspected diagnosis of the virus, must self-isolate for 14 days
- household members including preschool child of a person who has a **confirmed case** (including children) of COVID-19 must also be isolated from the childcare Service and general public
- the Public Health Unit will provide further information on a case-by-case basis as to the length and place of isolation. (see: [COVID-19 home isolation](#))
- families must immediately advise the Service if they, or anyone in their family, develops any symptoms of the virus or receives a positive result of the virus whilst in isolation
- any person (employee, enrolled child, parent, caregiver, visitor or contractor) who is displaying symptoms such as: **fever, coughing, sore throat, fatigue and shortness of breath**, must seek urgent medical attention to determine if they need to be tested for COVID-19 and not attend our Service **under any circumstance**
- **depending on the reason for isolation, a doctor's clearance may be required.**

Implement effective hygiene measures

The national campaign *Help Stop The Spread and Stay Healthy*, launched by the Australian Government has emphasised that effective handwashing is a vital strategy to help reduce the spread of the COVID-19 virus. Handwashing with soap and water for at least 20 seconds whenever you cough, sneeze or blow your nose, prepare food or eat, touch your face or use the toilet is recommended.

Our Service will adhere to National Regulation requirements and Government guidelines to ensure all educators, children, families and visitors to the Service implement best practice.

Our Service will ensure:

- all employees, children and visitors must wash their hands with soap and water or use the alcohol-based hand sanitiser provided upon arrival to the Service
- hands must be thoroughly dried using disposal paper and disposed of in the bin provided
- disposable tissues must be used to wipe noses, eyes or mouths and disposed of in the bin provided immediately after use
- hands must be washed following the use of tissues
- hands must be washed thoroughly using soap and water before and after using the toilet
- cough and sneeze etiquette must be used- cover your cough and sneeze with your hand or elbow
- educators and staff must adhere to our *Handwashing Policy* at all times
- children are supervised when washing hands
- educators and staff must adhere to effective food preparation and food handling procedures
- educators will wash their hands or use alcohol based sanitiser, before wearing gloves and wash their hands after wearing gloves
- educators and staff must adhere to our *Health and Safety Policy* for cleaning and disinfecting surfaces and equipment (such as toys, puzzles, outdoor toys, bedding, playdough etc) as per *Staying healthy: Preventing infectious diseases in early childhood education and care services* recommendations
- staff will maintain a cleaning register of all surfaces and equipment conducted
- equipment, resources and surfaces including high-touch surfaces- taps, door handles, light switches, etc will be cleaned more more frequently as required) using detergent and water followed by disinfectant
- cleaning contractors hygienically clean the Service to ensure risk of contamination is removed as per [Environmental Cleaning and Disinfection Principles for COVID-19](#)

NOTE: According to the World Health Organisation, COVID-19 may survive on surfaces for a few hours or up to several days. (March 14 2020)

Social distancing in childcare

Social distancing is important because COVID-19 is most likely spread from person-to-person through close contact with a person while they are infectious, close contact with a person with a confirmed infection who coughs or sneezes or from touching objects or surfaces (such as door handles or tables) contaminated from a cough or sneeze from a person with a confirmed infection and then touching your nose or mouth. (source: Australian Government Department of Health. Coronavirus disease)

To reduce the spread of COVID-19:

- if your child is sick, has a runny nose or is coughing do not send them to our Service
- do not visit our Service if you or another family member is unwell
- sanitise your hands at regular intervals throughout the day and when entering our Service
- avoid physical contact with other people who may be sick- such as older people and people with existing health conditions
- clean and disinfect high touch surfaces regularly (door handles, car seats, mobile phone, toys, dummies)
- promote strictest hygiene measures when preparing food at home and at the Service

Our Service will:

- restrict the number of visitors to our Service (including: parents, students, delivery of goods)
- restrict the number of family members visiting our Service including:
 - parents not coming into the Service except for emergencies- staff will sign in and collect and deliver the children to and from the gate. While waiting for staff parents will maintain social distancing
 - parents who are late to arrive to deliver their child can ring the bell and wait for a staff member to attend.
 - install markings on the concrete near the front entry gate indicating a 1.5 metre mark for parents/families to use
- where possible, outdoor play will be promoted within our Service to provide children with additional personal space
- large groups will be monitored to provide flexible learning to ensure groups are smaller in both the indoor and outdoor environment
- increase ventilation within the Service. Heating will be kept at a lower level than normal and families and staff are asked to dress accordingly.
- mats, cushions etc are positioned at least 1.5 metres apart
- seat children at opposite ends of a table when playing and eating
- avoid any situation when children are required to queue- waiting their turn to use bathroom for handwashing or toileting, waiting their turn to use a piece of equipment etc.
- contact parents of children who have chronic medical conditions or immunosuppression as they may be at an increased risk of disease and require additional support/care
- cancel all group outings to public places excluding paddock next door(excursions to local shops, schools, libraries, aged care facilities)

- cancel large group celebrations (*Mother's Day, special day celebrations*)

Suspected cases of COVID-19 at our Service

As per our *Sick Child Policy* we reserve the right to refuse a child into care if they:

- are unwell and unable to participate in normal activities or require additional attention
- is coughing and has a runny nose
- have had a temperature/fever, or vomiting in the last 24 hours
- have had diarrhoea in the last 48 hours
- have been given medication for a temperature prior to arriving at the Service
- have started a course of anti-biotics in the last 24 hours or
- if we have reasonable grounds to believe that a child has a contagious or infectious disease (this includes COVID-19)

If your child becomes ill whilst at the Service, educators/staff will respond to their individual symptoms of illness and provide comfort and care.

Educators will take your child's temperature. If the temperature is above **38°C** you will be contacted immediately and required to collect your child within 30 minutes. If you are unable to collect your child, an emergency contact person will be contacted, and they must collect your child within 30 minutes.

Educators will attempt to lower your child's temperature by:

- removing excessive clothing (shoes, socks, jumpers)
- encourage your child to take small sips of water
- move your child to a quiet area where they can rest whilst being supervised

Educators will wear disposable gloves and a face mask to avoid possible contamination.

Educators will keep accurate records of the child's temperature, time taken, time parent/s were contacted, staff member's name and time of collection.

All information will be recorded in our *Incident, Illness, Accident and Trauma Record*. Parents will be required to sign this record upon collection of their child.

Parents are reminded to ensure their contact details are current and emergency contact details are updated if required.

Our Service also reserves the right to prevent employees, parents, family members or visitors to enter our premises if the Approved Provider or Nominated Supervisor suspects instances of COVID-19.

Notification

The Approved Provider or Nominated Supervisor is mandated by law to notify the Public Health Unit or [Health Information hotline](#) on 1800 020 080 of any confirmed or suspected cases of COVID-19. In addition, the Approved Provider must also notify the [Regulatory Authority](#) in their state or territory within 24 hours.

Management reserves the right to request employees to self-isolate if they suspect they have come into contact with someone who has a confirmed COVID-19 infection.

Talking to children about COVID-19

As per our *Interactions with Children, Families and Staff Policy*, our Service is committed to maintaining positive interactions and relationships with children and their families. Information provided to children about COVID-19 will be age appropriate and sensitive to their emotional wellbeing. Educators will both acknowledge children's concerns and be open to discussions about COVID-19.

Educators will inform children about the virus and emphasise preventative measures such as handwashing, use of tissues, cough and sneeze techniques and limiting touching other children's faces.

Posters to demonstrate correct handwashing methods will be referred to and educators will model techniques.

Children's emotional well-being will be closely monitored by all educators and staff and any concerns communicated with parents and families.

Children's questions will be respected and supported.

In the event of the Service being closed as a precaution to limit the spread of the virus, information will be provided to parents/families to help explain the situation to young children.

Payment of Fees

Fees are payable to the Service for all enrolled children including pupil free days, sick days and family holidays.

For 3/4 group: Please choose either:

1. On-site learning fee = 2/3 of the total fee, \$552
2. Remote learning fee = 1/3 of the total fee, \$276

3. Term 2 freeze: no charge

For 4/5 group: Please choose either:

1. On-site learning Monday/Tues/Thurs fee is \$155 for 3 additional hours, or \$0 for 15 hours
2. Remote learning fee = \$0
3. Term 2 freeze: as for 3/4 group
4. HCC = \$155 or choose to have 15 hours per week only, \$0

Late fees for pickups still apply

What happens if our Service is forced to close?

The decision to close our Service will be made, and advised, by relevant state and territory governments or the Regulatory Authority. This may be due to a confirmed case of COVID-19 in our Service community.

Should this occur, all families will be notified immediately via email and/or phone.

The Approved Provider will notify the [Regulatory Authority](#) within 24 hours of any closure via the [NQA IT System](#)

Staff entitlements if sick or suspected to have COVID-19

Under workplace health and safety laws, our Service must ensure the health and safety of all employees.

Confirmed COVID-19

If an educator or staff member is confirmed to have COVID-19, they are unable to attend the workplace and cannot return unless **they have a clearance from a General Practitioner of Public Health Unit.**

Full and part-time employees who cannot attend work due to illness can take paid sick leave.

Caring for a family member or emergency

If an employee cannot attend work due to caring for a family member due to COVID-19, they are entitled to take paid carer's leave. Casual employees are eligible to have 2 days unpaid carer's leave per occasion. See **Fair Work Act** for entitlements for casual, part time and full-time employees. Reasonable evidence is required to justify the absence.

Self-Isolation directed by Service

Where an employee is directed by the Approved Provider to stay home and self-isolate as they have shown symptoms of a flu-like illness, and the employee is not sick and able to work, **our Service will continue** to pay the employee as per their contract. The employee will be requested to complete work from home negotiated with the Approved Provider.

Self-isolation as a precaution

If an employee wants to stay home as a precaution of contracting COVID-19 they **may negotiate** to take unpaid leave, annual leave or long service leave with Management.

Employees Entitlements- Fair Work Australia

Employees' work arrangements may change during the outbreak of COVID-19. Due to reduced attendance numbers and business viability, the Approved Provider will explore options for staffing and flexible work arrangements with individual employees.

Arrangements may include: reduction in hours for casual employees, encourage employees to take annual leave or other leave entitlements or changes to rostering and duties.

Employees may be requested to complete activities such as:

- professional development learning
- programming and documentation- updating Medical Plans, registers etc
- updating the Quality Improvement Plan
- conducting cleaning within the service and room preparation
- completing any maintenance required as per risk assessments
- development of online activities for children- Zoom, You Tube account

The Approved Provider must obtain written consent by the employees of any changes in their work conditions.

Stand downs

Under the *Fair Work Act*, an employee can only be stood down without pay if they cannot be usefully employed because of a stoppage of work for any cause for which the employer cannot reasonably be held responsible.

If all avenues of 'useful' employment is exhausted, and an employee is stood down, the employer is not required to make payments to the employee. During a stand down, employees will continue to accrue entitlements to leave and there is no interruption to employees' continuity of service.

A stand down under the Fair Work Act may occur in the case of our service being closed due to a mandated closure by the Government or Public Health Unit.

Our Service will provide permission to allow employees to take up other employment for the duration of the stand down. [see [Fair work guidelines re: working for another service/competitor during a stand down](#) [Fair Work business closures during coronavirus](#)]

Waivers

In the event of staff members requiring to self-isolate due to possible infection of COVID-19, the Approved Provider will apply to the Regulatory Authority for waivers for qualifications and/or ratios to minimise disruptions to our provision of care.

Communicating with families

Our Service will establish continue regular communication channels with families and share information about COVID-19 as required.

Due to the fluid nature of COVID-19 and the necessity of self-isolation for some staff members, our Service will endeavour to inform parents and families of any staff changes on a daily basis.

Staff who have approved leave will be replaced with casual staff and families will be informed as per our usual practices to ensure continuity of care where possible.

Caring for our community

We understand that the outbreak of COVID-19 and the constant amount of information received through the media may be very stressful to young children and parents. The anxiety about this disease may be overwhelming and cause fear and anxiety to some people, especially children.

Our Service is committed to continue to provide quality education and care to all children and support families responsibly during this unprecedented challenge with the COVID-19 outbreak.

Knowing how to look after yourself, and others is very important during this crisis.

We will promote a safe and supportive environment by:

- reassuring children they are safe
- acknowledging and listening to children's questions
- promoting and implementing hygiene routines for handwashing and cough and sneezing
- keeping regular and familiar routines within our Service
- ensuring children eat well throughout the day

- engaging children in play, games and other physical activities
- being alert to children's level of anxiety and provide quiet and relaxing activities
- ensuring children are provided with rest and sleep when needed
- providing information to families and support services as required
