- the equitable and non-discriminatory application of fees across the programs provided by Yongala Preschool.

### POLICY STATEMENT

#### 1. VALUES

Yongala Preschool is committed to:

- providing responsible financial management of the service, including establishing fees that will result in a financially viable service, while keeping user fees at the lowest possible level
- providing a fair and manageable system for dealing with non-payment and/or inability to pay fees/outstanding debts

#### 2. SCOPE

This policy applies to the Approved Provider, Person with Management and Control, Nominated Supervisor, Person in Day-to-Day Charge, educators and parents/guardians with an enrolled child, or who wish to enrol a child at Yongala Preschool.

#### 3. BACKGROUND AND LEGISLATION

##### Background

The Department of Education and Training (DET) provides funding for each child who is enrolled and attending a funded kindergarten program in the two years before school. Income from other sources, primarily fees, is required to meet all the additional costs incurred by the service in the delivery of the children's program. In addition, the Kindergarten Fee Subsidy (refer to *Definitions*) enables eligible children to attend a funded kindergarten program free of charge in the year before school.

DET also funds Early Start Kindergarten for three-year-old Aboriginal and Torres Strait Islander children, and children known to Child Protection, to access kindergarten programs as outlined in *The Kindergarten Funding Guide* (refer to *Sources*).

DET requires that funded services have a comprehensive written fees policy, and the content of this policy must be communicated to families. The policy must include a written statement about the fees to be charged, as required under Regulation 168(2) (n), and the payment process. All families must be informed of applicable term and annual fees at the time of enrolment. Services must also advise eligible families of the Kindergarten Fee Subsidy arrangements. The fees charged must comply with the *Kindergarten Fee Subsidy – Fees Policy* (refer to *Definitions*), and be responsive to the local community and the viability of the service. *The Kindergarten Funding Guide* (refer to *Sources*) outlines the criteria to be covered in the policy.

## Legislation and standards

Relevant legislation and standards include but are not limited to:

- *Charter of Human Rights and Responsibilities 2006* (Vic)
- *Child Wellbeing and Safety Act 2005* (Vic)
- *Disability Discrimination Act 1992* (Cth)
- *Education and Care Services National Law Act 2010*
- *Education and Care Services National Regulations 2011: Regulation 168(2)(n)*

## Fee information for families

### Yongala Preschool 2022

#### 1. General information

The Department of Education and Training (DET) provides funding for each child enrolled and attending kindergarten in the two years before school as a contribution toward the costs of providing the program. Services meet the balance of costs through charging fees and fundraising activities.

DET provides a Kindergarten Fee Subsidy (see below) that enables children from eligible families to attend a kindergarten program free of charge in the year before school for the first 15 hours in the 4/5 group and 5 hours in the 3/4 group.

DET also provides funding to assist eligible three-year-old Aboriginal and Torres Strait Islander children, and children known to Child Protection, to access kindergarten programs.

Yongala Preschool provides a range of support options to parents/guardians experiencing difficulty with payment of fees (see below).

#### 2. How fees are set

As part of the budget development process, the Committee of Management sets fees each year for the programs of the service, taking into consideration:

- the financial viability of the service
- the level of government funding provided for the program, including the Kindergarten Fee Subsidy
- the availability of other income sources, such as grants
- the fees charged by similar services in the area
- the capacity of parents/guardians to pay fees
- reasonable expenditure in meeting agreed program quality and standards
- requirements of *The Kindergarten Funding Guide* (Department of Education and Training) available from the DET website: [www.education.vic.gov.au](http://www.education.vic.gov.au)

Once fees are set for the year, they will only be reviewed in extraordinary circumstances, for example, if enrolments drop and the service is at risk of not being able to meet its expenses.

#### 3. Other charges

Other charges levied by Yongala Preschool are included on the Statement of Fees and Charges. These include:

- **Kindergarten Security Deposit:** This payment secures a child's place at the service and is payable on acceptance of enrolment. The deposit is retained as payment of part of Term 1 fees and is non-refundable.
- **Parent Participation Levy:** At Yongala Preschool we encourage the involvement of our families in all aspects of the kinder's operation. The levy is not intended to be a barrier to participation and families experiencing difficulties should discuss this with service.

The Parent Participation Levy is \$200 payable with your Kindergarten Fee Deposit. The purpose of this fee is to encourage all families to participate in the operation of the kinder. The fee will be rebated to you at the end of the year (deducted from your Term Four Fee) following your participation in **two** of any of the listed activities; for the specified time allocated.

- 1) Attendance at a scheduled Working Bee.
- 2) Volunteering for the annual Bunnings sausage sizzle.

3) Volunteering in an activity approved by the Committee of Management to an equivalent of 3 hours of work.

**Please note:** You must participate in a full Working Bee or attend for the entire allotted time slot for the Bunnings sausage sizzle to be eligible for your refund. Attendance for some of the time does not constitute grounds for your rebate.

All active members of the Committee of Management will be refunded the Parent Participation Levy at the end of the year.

- **Late collection charge:** A late collection charge is payable when parents/guardians are late in collecting a child from the service.

A late collection fee will be applied when:

- The parent/guardian is between 10 and 30 minutes late in collecting their child. The fee will be based on \$35 per 10 minutes or part thereof, from the conclusion of the session.
- The parent/guardian is over 30 minutes late collecting their child. The fee will be based on \$35 per 10 minutes, or part thereof, for the first 30 minutes. After this time the DET will be contacted and the parent/guardian will continue to accrue a fee of \$35 per 10 minutes, or part thereof, until such time as the child has been collected.

Persistent late collection:

- The Committee of Management reserves the right to implement an escalation of charges to the late collection charge when parents/guardians are persistently late in collecting a child from the service.
- At the discretion of the Committee of Management, the late collection fee will increase to \$50 per late collection, plus \$35 per 10 minutes or part thereof, from the conclusion of the session.
- The Committee of Management will also expect the Parent/Guardian of the child to present to the Committee of Management to discuss the issues behind the persistent late collection.
- Failure to attend the meeting and continued late collection may result in a final letter notifying parents/guardians that the child's place at the service may be withdrawn. This letter will also include information on a range of support options available for the family.
- If a decision is made to withdraw the child's place at the service, the parents/guardians will be provided with 14 days' notice in writing.
- **Excursion/service event charge:** At times throughout the year an additional excursion(s) or event(s) may be arranged where it is considered relevant to the service's program and the children's interests. Any additional costs to families are taken into consideration before a decision is made and a package to save costs is available. (refer to *Excursions and Service Events Policy*).

#### 4. Statement of fees and charges

A statement of fees and charges for four-year-old or three-year-old kindergarten will be provided to families on enrolment.

#### 5. Fundraising

Not all service costs are covered by DET per capita funding and the fees charged. Fundraising is undertaken to meet the balance and/or pay for additional items for the service. While participation in fundraising is voluntary, the support of every family is encouraged. Fundraising activities are also an opportunity for families and communities to come together.

## 6. Subsidies

### 6.1 Kindergarten Fee Subsidy

The Kindergarten Fee Subsidy is provided by DET and enables eligible children to attend 15 hours of kindergarten free of charge in the year before school and 5 hours in the 3/4 group. Eligibility conditions may change from time-to-time and must be checked in the most recent edition of the *Kindergarten Funding Guide* (refer to *Sources*).

Families may be eligible for the Kindergarten Fee Subsidy if their child:

- is Aboriginal and/or Torres Strait Islander; or
- holds, or has a parent/guardian who holds a Humanitarian or refugee Visa; or
- is a multiple birth child (triplets or more); or
- holds, or has a parent who holds a Commonwealth Health Care Card, Pensioner Concession Card or Veteran's Affairs Card.

Exclusions and exceptions: Not available for long day care services in receipt of Commonwealth Child Care Benefit.

Where a child is identified by a parent, carer or legal guardian as an Aboriginal and/or Torres Strait Islander, no verification is required.

In all other instances, supporting documentation should be sighted by the service on acceptance of a place or on commencement in the program, however where there are delays, such as in obtaining health care cards for children in out-of-home care, the delay should not provide a barrier to the child accessing the Kindergarten Fee Subsidy. Families are eligible for the Kindergarten Fee Subsidy for the full term in which their concession is valid. Contact the service for further information.

### 6.2 Early Start Kindergarten fee subsidy

Three-year-old Aboriginal and Torres Strait Islander children and children known to Child Protection are eligible to attend a funded early childhood program that is planned and delivered by a qualified early childhood teacher free of charge. The service receives funding for children who meet the eligibility criteria. Contact the service for further information.

## 7. Payment of fees

The Committee of Management will regularly review payment options and procedures to ensure that they are inclusive and sensitive to families' cultural and financial situations.

Fees will be invoiced to parents/guardians directly and must be paid by the date indicated on the invoice. Each invoice will be accompanied by payment instructions. The first term's fees must be received in full prior to the child commencing at the service. For children enrolled after the commencement of a term, a pro rata invoice will be issued and must be paid in full prior to the child commencing or within 7 days if the child cannot commence straight away.

Parents/guardians experiencing difficulty in paying fees are requested to contact the Enrolment officer to arrange a suitable alternative payment plan. The *Privacy and Confidentiality Policy* of the service will be complied with at all times in relation to a family's financial/personal circumstances.

## 8. Unpaid fees

If fees are not paid by the due date, the following steps will be taken.

- An initial reminder through email will be sent to parents/guardians with a specified payment date.
- Where payment is still not received, a Committee of Management member will make a phone call to the family to discuss payment.
- If payment for the Term has not been received by 5 days after the due date, a \$50 Late Payment Surcharge will apply immediately, along with outstanding Term Payment. Parents who are regular offenders without reason will be charged an additional late fee of \$50 for their second and third offence.
- Continued non-payment of Term Fees, will result in families being invited to attend a meeting to discuss the range of support options available and establish a payment plan. This is to occur during week 1 of the Term.

- Failure to attend the meeting and continued non-payment may result in a final letter notifying parents/guardians that the child's place at the service may be withdrawn unless payment is made or a payment plan is entered into by week 1 of the Term . This letter will also include information on a range of support options available for the family.
- The Committee of Management will continue to offer support and will reserve the right to employ the services of a debt collector.
- If a decision is made to withdraw the child's place at the service, the parents/guardians will be provided with 14 days' notice via email.

## **9. Refund of fees**

Fees are non-refundable (exceptional circumstances may apply – these are at the discretion of the Committee of Management). There will be no refund of fees in the following circumstances:

- a child's short-term illness
- public holidays
- family holiday during operational times
- closure of the service for one or more days when a qualified educator is absent and a qualified reliever is not available
- closure of the service for staff training days
- Closure of the service or parents electing not to attend the service due to coronavirus
- Closure of the service due to extreme and unavoidable circumstances.

In addition, there will be no refund where a family chooses not to send their child to the program for the maximum number of hours for which they are enrolled.

## **10. Support services**

Families experiencing financial hardship often require access to family support services. Information on these services may be available from the kindergarten service provider or alternatively families may contact the local council.

## **11. Notification of fee changes during the year**

Fees set for the year would only be reviewed in extraordinary circumstances, for example, if attendance rates fall below the budget 'break even' point. Parents/guardians will be notified one term in advance of any required fee increase and will be offered the option to request a payment plan.

Yongala Preschool will undertake annual reviews of the Fees on the first day of July in each calendar year. The determined increase will be for the following year's intake of children and will be published in Boroondara Kindergarten Central Enrolment Scheme's (BKCES) information kit.

## **13. Only one set of funding per child**

Our programs are supported by the Victorian Government per capita funding. Children attending our programs will be counted as an eligible child when we submit our data as part of reporting requirements to the Department of Education and Training (DET). You must nominate Yongala Preschool as your child's funded kindergarten program as your child can attend only one funded kindergarten program in a single year. If your child is enrolled to attend another children's service that offers a funded kindergarten program, please draw this to the attention of the other service.
